## Getting Started

The first step to learning how to play the ukulele is to get a ukulele. You can purchase a ukulele at most music stores or online. Once you have a ukulele, you will need to learn how to tune it. There are many different ways to tune a ukulele, but the most common tuning is GCEA.

Once your ukulele is tuned, you can begin learning how to play chords. Chords are the building blocks of music, and they are used to create the harmony of a song. There are many different chords that you can learn, but the most basic chords are C, G, D, and Em.

Once you have mastered a few basic chords, you can begin learning how to play songs. There are many different songs that you can learn to play, but some of the most popular songs for beginners include "Happy Birthday," "Twinkle Twinkle Little Star," and "You Are My Sunshine."
